PROFILE

I eat, sleep, and breathe hospitality. Ever since I remember, I have wanted to work in hospitality. My passion started growing up working in my parent's restaurant. I have strong social skills and a colloquial attitude towards my guests. However, I can be authoritative as well, when the situation asks for it.

After working many years in a management role in the vibrant nightlife of Bucharest, I'm now looking forward to taking the next step in my career. My ambition is to work in a similar management role in the high-end hospitality industry.
